

EXPERIENCE STRATEGY  
IN ACTION WITH A  
**CAREER  
AT DSTA**

ABOUT DSTA

# Make Your Move, Make an Impact

A DSTA career is your opportunity to grow and excel at the frontiers of engineering, digital transformation, and cybersecurity. From working on software development and systems integration to unmanned technologies, sensors, and artificial intelligence, DSTA delivers state-of-the-art capabilities to defend Singapore's peace and security.

## OUR MISSION

We harness and exploit science and technology, and provide our technological and engineering expertise to meet the defence and national security needs of Singapore.

### **Innovate**

Lead technological innovation and boost Singapore's defence.

### **Develop**

Design and develop next-generation defence systems and capabilities.

### **Synergise**

Be part of a dynamic team to deliver landmark projects.

### **Inspire**

Create transformative solutions.

## ENGINEERING & DIGITAL DOMAINS

Navigate real-world challenges and gain experiences by working with our multidisciplinary specialists to design, develop, and integrate next-generation defence systems and capabilities.

### Engineering Domains

**Air Systems**

**Naval Systems**

**Land Systems**

**Advanced Systems**

**Simulation &  
Training Systems Hub**

**Building &  
Infrastructure**

Harness digital technologies to develop and deliver transformative solutions and capabilities for our nation's defence. Push the boundaries of science and technology to create leading-edge defence systems.

## Digital Domains

**Infosecurity**

**Cybersecurity**

**Networks &  
Infrastructure**

**Software  
Development**

**Cloud**

**Artificial  
Intelligence**

**UI / UX**

**Data Science /  
Data Analytics**

JOIN US

# Why DSTA

## **DIVERSE EXPOSURE & GROWTH**

At DSTA, challenge yourself and work on projects that go beyond your field of study.

Continue to develop new skills and expand your network as you embark on an exciting journey in a defence science and technology career with us.

## INSPIRING MENTORSHIP

Learn from mentors who are experienced leaders in their fields, and be guided throughout your journey with us.

## FAR-REACHING IMPACT

Our innovations serve a greater purpose. Whatever you choose to specialise in, you get to turn ideas into solutions for the defence and security of Singapore.

WE WANT YOU

# DSTA Is Looking for Individuals From These Fields of Study →

## Relevant Fields of Study

- Aeronautical / Aerospace Engineering
- Architecture / Facilities Management / Quantity Surveying / Real Estate
- Architecture and Sustainable Design
- Business Analytics / Data Analytics
- Biomedical Engineering / Chemical Engineering
- Civil / Structural Engineering
- Computing / Computer Science / Computer Engineering / Information Systems / Information Security
- Engineering
- Electrical and Electronic Engineering
- Engineering Product Development
- Engineering Systems and Design
- Information Systems Technology and Design
- Marine and Offshore Engineering / Naval Architecture
- Mechanical Engineering
- Science (Maths/Physics/Statistics)

# DSTA Technology Graduate Programme (TGP)

Embark on a two-year journey to accelerate your technical and professional development through on-the-job training and a structured development programme.

## IF YOU ARE...

Passionate about driving tech to defend Singapore

A fresh graduate with less than two years of working experience

Holding tertiary qualifications in Engineering and Infocomm Technology related fields

A Singapore Citizen

## What You Can Expect

### **TECHNICAL DEVELOPMENT**

Build deep technical expertise on the job, attend curated programmes, and learn from experts.

### **LEADERSHIP DEVELOPMENT**

Hone your leadership skills and gain greater personal leadership awareness through customised leadership development programmes.

### **MENTORSHIP**

Design a personalised career development plan and set goals with your career mentor.

### **NETWORKING OPPORTUNITIES**

Engage with leaders to gain a wider perspective and understanding of DSTA.

### **CONNECT WITH THE TGP COMMUNITY**

Enjoy opportunities to connect and be part of the TGP community.

## Stay Connected

Apply now and be a part of  
**#StrategyInAction** here at DSTA.
